OUR HISTORY

1970s

The first Starbucks opens. The name comes from Herman Melville's *Moby Dick*, a classic American novel about the 19th century whaling industry.

1980s

Howard Schultz joins Starbucks in 1982. While on a business trip in Italy, he visits Milan's famous espresso bars. Impressed with their popularity and culture, he sees their potential in Seattle.

1990s

Starbucks expands beyond Seattle, first to the rest of the United States, then the entire world. Starbucks becomes a publicly traded company.

2000s

The Starbucks phenomenon continues. As of this writing, Starbucks has more than 6,000 locations in over 30 countries.
