

CROWN ARK

INVESTORS CLUB

WHAT IS CROWN ARK INVESTORS CLUB?

Our Club is a unique community of wealthy people, united in the pursuit of high-yielding off-market investment opportunities through direct contact with other investors.

Crown Ark Investors Club was established by a group of British investors for the purpose of exchanging information on exclusive investment opportunities that are not available to the general public, as well as experience of working with suppliers of investment and financial services. Today, the Club consists of investors not only from Great Britain, but also from countries such as the United States, Switzerland, Russia and the Ukraine. As a result, the Club has gained international status.

Members of Crown Ark Investors Club regularly receive information about high-yielding off-market investments and offer other Club members the opportunity to take part in projects of their own.

WHO IS THE CLUB FOR?

Membership of Crown Ark Investors Club will be of particular interest to those who do not want their investment opportunities to be limited to just one country, who want to become a global player and seek to create income sources outside their current country of domicile.

The Club is intended for those investors who seek unique off-market investment opportunities available only through the right contacts.

WHAT ARE THE BENEFITS OF MEMBERSHIP?
